Subject: RE: Observation at FMC OU

Sorry about the delay getting back to you. We've had some issues with our email system.

Appreciate you including me as a Cc as it's best if requests from legal counsel come to me.

Any necessary arrangements to accompany EPA on site pursuant to the FMC UAO for Remedial Design and Remedial Action should be made with our EPA contractor by Kelly Wright as has been the practice. Our contractor has been keeping Kelly Wright informed of planned site activity on a daily basis.

I do want to note that as provided at 40 CFR 300.150(e), all governmental agencies are directly responsible for the health and safety of their employees. It is important that the Tribes ensure that all applicable health and safety requirements are met for their employees, including any applicable OSHA requirements.

Let me know if you have any questions or concerns

Subject: Observation at FMC OU

Good afternoon, Cliff.

On behalf of the Shoshone-Bannock Tribes, I am requesting that you arrange a time next week for Tribal representatives Kelly Wright, Wes Edmo, and Chris Hugues to access the FMC OU with an EPA representative to perform observation of the activity being conducted pursuant to the UAO, as contemplated by the Interim ROD and permitted by the UAO, Section XI, 40.

Please contact me directly at (b) (6) with any questions.
